1 A colour for every mood

AdagioPro lamps offer you a range of fixed colours and dynamic lights. With just one click on the remote, you can give your swimming pool a totally different look.

Deep Blue sea	The deep blue colour makes the water irresistible!
Daylight Blue	A bright-blue brilliance
Sunset	The orange gleam gently rippling across the water
Love is in the Air	Red tints for an unforgettable tête-à-tête by the water.
Forest Spring	Garden and pool unite as one with this green look.
Think Pink	Would you like to try something daring ?
	With lilac and pink, all eyes will unquestionably be on your water show !
Sunshine	A warm yellow sun that shines whenever you want.

White nuances

AdagioPro lamps offer you three different nuances of white light (with the RGB version). The light-output is dimmable.

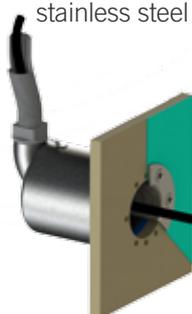

Sun white	The stunning white of a hot southern summer day. Do you have your sunglasses at your fingertips ?
Neutral white	A nice, even and sober light embellishes your swimming pool in the garden.
Warm white	Some extra red in the colour composition creates an astonishing warm and soft white tint.

Face plates

Dare to be different

The sky is the limit, your pool is your ocean! Let your fantasy loose with our extensive choice in face plates.

Stand out from the crowd by personalizing your swimming pool with our face plates in various colours and shapes. Your pool will be unique and customized. Taste and mood will determine your choice.

Type A

Simple, harmonious and elegant. These words best describe our most classic face plate. Available in 8 different colours and in stainless steel. Only for Ø17 cm and Ø10 cm.

Type B

Inspired by The Far East, the natural flow of the design in this face plate follows the flow of the water in your pool. *Serene and graceful, unaffected by disturbance, calm and unruffled.* Available in 8 different colours. Only for Ø17 cm and Ø10 cm.

Type C

Triangles and other symbols made of three parts may be used to present such *concepts as past, present, and future or spirit, mind and body.* Whether this is your reason for choosing this unique face plate, or just because the shape appeals to you, one thing is for sure, you will be original. Only for Ø17 cm and Ø10 cm.

only stainless steel

Type D

The sober design of this face plate gives it a *Streamlined appearance with a soft touch.* The best of both worlds! Available in 8 different colours. Only for Ø17 cm and Ø10 cm.

Type E

The number "5" has always been regarded as **mystical and magical**, yet essentially 'human'. We commonly note five senses - sight, hearing, smell, touch and taste. Whatever meaning these five sides may have to you, you will feel like a star in your own pool with this face plate. Available in 8 different colours. Only for Ø17cm and Ø10 cm.

Type F

Modern, yet graceful and warm, this stainless steel face plate stands for quality, durability and solidness. Streamlined, finely contoured, yet modest in its' looks. Available in 5 different colours for Ø5 cm. In stainless steel for Ø17 cm, Ø10 cm and Ø5 cm.

Type N

Are you in for **delightful and relaxing experiences**. Don't hesitate to choose this elegant, smooth and ultra thin retro face plate. Your pool will be very **harmonious**. Available in 8 different colours and in stainless steel. Only for Ø17 cm and Ø10 cm.

Type O

This creative face plate is one of the **most elegant and modern designs** ever made. No compromises were made, this makes your ADAGIO led light bright like never before. You will be astonished to have this **creative and high quality ultra thin** face plate in your pool. Available in 5 different colours for Ø5 cm. In stainless steel for Ø17 cm, Ø10 cm and Ø5 cm.

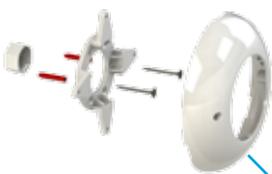

Type U

Simple, harmonious and elegant. These words best describe our most classic face plate. Available in 8 different colours and in stainless steel (for North American market). Only for Ø17 cm.

Type Y

A very nice **curved face plate** for AdagioPro direct wall mounting. This **small and lightly** accentuated face plate gives you a professional look, with easy installation. Only available in White and Ø10 cm.

Type P

A very small **elegant** stainless steel face plate. This refined design is developed specifically for **stairs lighting** applications. Only available in stainless steel and Ø10 cm.
